

Calne in Tune – ‘Music Arts & Media Project’ Mission Statement

The mission of the "Calne In Tune" is to aid in encouraging & promoting the Musical, Artistic, Crafting and Literary Talents & Skill, of all ages & abilities, in and around the Community of Calne. Engaging with budding Musicians, Artist, Writers & Performer, Schools, Teachers and Venues, with established Performers support.

"Calne In Tune" also aims to assist in development of all the technical abilities & skills involved in all form of Creative & Performance Arts. This includes Performance Skills and those skills involved in Graphic Design, Photography, Video Production, Sound Recording, Broadcasting & Video/Sound Engineering for Reproduction & Directing Performance.

Our objective is to aid in the development of confidence in ‘performance’. Helping new Artists in that process, by providing them with opportunities to practice, cooperate and to perform, where they/we can learn from each other and from those with greater performance experience.

I and Coleagues in Music Collective have been doing this for budding Musicians for the last 7 years and in 2015 we set up a Charity ‘Calne in Tune’. We obtained and provide equipment for this purpose and obtain free opportunities for Practice, Performances, Showcase and Exhibitions in local Pubs & Social Clubs.

We have now reached the point where we desperately need Prmises to continue and expand our facilities and services. We have put in a bid to obtain a disused Community Building & Land that has become available. We now seek to return it fo full community use in Calne Town.

The focus of our activities will continue to be the support and expression of Music, Arts & Crafts, prodiding Opportunities & Training in all areas described above, but our objective is to manage and provided this resource for the wider enjoyment of, and servcice to the Community.

We are committed to support all Genre and people of all ages, abilities, disabilities, gender and cultures.

23rd April 2018 We became a Voluntary Charitable Community Organisation

February 7th 2020:

Calne Central Music, Arts, Crafts & Media Based Youth & Community Centre & Community Service Network was opened
